1625 Speaker - Third Sector Support Introductions of the contributors and experts to the event - Speaker tbc

1630 Guest Speaker - Allison Morrison - Cove Burgh Hall, Argyll & Bute

As one of the first Village Halls in Argyll & Bute to gain the SCVO's KeyStone quality assurance award Allison and her colleagues take us on a journey from its development into a real working community hub.

We learn about the challenges they faced along the way to where they are today, and discover what opportunities lay ahead.

1645 Workshop Development Planning session 1

Community Venue Health checks:

In this session and using your health checks we will be asking:

- How are you going to use your hall to make money?
- Do you know what the needs are of your community?

We will address and look at your gaps: facilities management, Fabric of your building, Governance, Social Enterprise, Asset Transfer & Funding

(Skip this section if you already have an idea – opportunity to speak to experts)

1715 Workshop Development Planning session 2

Creating a Forward Plan: In this session we ask:

- Where do you want your hall to go?
- Who do you need to speak to?

(Use your workbook to record which experts you want to talk to. If you already have a plan outlined this is your opportunity to talk to the experts).

1815 Talk to the specialists - First stage contact with specialists.
